

October 2017

**Attention Pharmacists Dispensing Medical Supplies and Equipment for
Non-Insured Health Benefits Program Clients**

Pharmacists are asked to refer to the Fall 2017 NIHB Newsletter for Medical Supplies and Equipment providers for changes related to wound care products, intermittent catheters, and compression stockings.

Please visit Express Scripts Canada NIHB Provider website at provider.express-scripts.ca/medical-supplies-and-equipment/newsletters and select the newsletter for your region.

For assistance with obtaining a copy of a newsletter, please contact the Provider Claims Processing Call Centre at 1 (888) 511-4666.
