The NIHB Removable Prosthodontic Policy must be met. Please refer to the Provider Website: http://www.provider.express-scripts.ca/ for information on the NIHB dental policies.

The fee paid for dentures includes three (3) months post-insertion care including adjustments and modifications. NIHB does not cover any other denture-related procedures during this period. The fee for immediate dentures includes the tissue conditioner, but not the processed reline/rebase.

The overall cost of replacement for a denture may be adjusted in situations where claims for reline/rebase were paid within three months prior to the request.
